EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert Jondle on 21 October 2004.

The application has been amended as follows:

At claim 1, "Seed" has been amended to read -- A seed --.

At claim 6, line 2, -- soybean -- has been inserted before "plant".

Claim 30 (AMENDED) A method of producing a soybean plant with modified fatty acid or carbohydrate metabolism wherein the method comprises transforming the soybean plant of claim 2 with [one or more transgenes] a transgene encoding a protein selected from the group consisting of [stearyl-ACP desaturase,]fructosyltransferase, levansucrase, alpha-amylase, invertase and starch branching enzyme, or encoding an antisense of stearyl-ACP desaturase.

Claim 31 (AMENDED) A soybean plant having modified fatty acid or carbohydrate metabolism produced by the method of claim 30.

Claims 32 and 33 have been cancelled.

2. In an interview with Applicant's attorney, Robert Jondle, on 21 October 2004, the proposed amendments to the claims to put the application in condition for allowance were approved.

REQUIREMENT OF ALLOWANCE UNDER 37 CFR §§ 1.801-1.809

3. The Deposit Statement in the response filed 2 April 2004, on page 6, is deemed in accordance with 37 CFR §§ 1.801-1.809. Since the application is otherwise in condition for allowance except for the needed deposit of seed, and since the Office has received written assurance that an acceptable deposit will be made on or before payment of the issue fee, the Office is authorized to mail Applicant a Notice of Allowance and Issue Fee Due together with a requirement that the needed deposit be made within THREE (3) MONTHS of the mail date of this letter (see 37 CFR § 1.809(c)).

As set forth in 37 CFR § 1.809(c), Applicant is required to deposit 2500 seeds of the claimed plant within THREE (3) MONTHS of the mail date of this letter; thus the time for making the deposit is on or before the payment of the issue fee.

Applicant is reminded that once the deposit of seed has been made, information regarding the date of deposit, description of the deposited material including number of seeds deposited, name and address of the depository, and the accession number must be added to the specification in order to comply with 37 CFR § 1.809(d). In addition, the claims must be amended to replace the blank "_____" with the appropriate Accession Number. Amendments to the specification and the claims must be filed under 37 CFR § 1.312.
